PROFIL

Open to Remote Work — Worldwide

Product Designer with 4 years of hands-on experience across fintech, gaming, and services. Bridges design and engineering — fluent in Figma and React Native — shipping designs that actually get built. Google UX Design certified. Available for remote contracts worldwide (freelance, staffing, full-time).

PROFESSIONAL EXPERIENCE

UI/UX Designer — Orange Côte d'Ivoire

Synelia

2026

Abidjan, Côte d'Ivoire

UI/Ux Designer

Yoomi

2024 – 2026

Cocody Riviera
Bonoumin, Côte
d'Ivoire

- Redesigned core user flows in Figma, simplifying navigation and improving overall task completion clarity
 - Built high-fidelity interactive prototypes used directly in user testing sessions
- Worked closely with developers to ensure pixel-accurate implementation of designs

Consultant UI/UX Designer

Dughu

February 2025 –

May 2025

Abidjan, Côte d'Ivoire

- Conducted end-to-end UX audits and delivered strategic recommendations to improve conversion and retention
 - Designed wireframes, modern UI interfaces, and interactive Figma prototypes for web and mobile products
 - Collaborated cross-functionally with product and engineering teams to align design decisions with business goals
- Provided ongoing UX/UI advisory to optimize user flows and reduce friction at key touchpoints

Web Developer / UX UI Designer

Wegam

2022 – 2024

Abidjan, Côte d'Ivoire

- Designed UX/UI mockups and prototypes for gaming platform features used by active users
 - Collaborated with frontend developers to bridge design intent and technical implementation
- Improved user journey clarity across key flows, reducing navigational confusion
